**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of Sonic in Santa Rosa California. Sonic's customer service is fantastic and nothing I've ever seen from a big corporation even gets close. When I first got Sonic I was so impressed I tried to get it for my mother in Pennsylvania; sadly I found out that that is not going to work out, as Sonic is just a little local provider. I would have Sonic provide service for the whole country if we could.

These regulations are hard to parse so I am a bit unclear on the current dispute, but whatever Sonic says you had better listen to it. Monopolies of big corporations have turned many aspects of American life into shit. Do not do this to Sonic customers or you fail in your duty to the American public.
